'Mrinaltai, Role Model for Struggle' - Ram Naik

Mumbai, Tuesday : "Smt. Mrinaltai Gore was a role model for political and social workers fighting for the common man. Though myself and Smt. Mrinaltai followed the different political thought, our 'Karma - bhoomi' was one - Goregaon ! In fact we were political opponents. In spite of her defeat in the North Mumbai Lok Sabha election by me, she never kept any bitterness in mind and used to have affection for me. When I was suffering from cancer, she personally came to my home to enquire about my health. I was a special invitee in her 81st birth day function. She never allowed political differences to come in the way of friendship. My tributes to her", said Shri Ram Naik, BJP leader & former Petroleum Minister in a statement issued in Mumbai.
